You decide the slat amount- and placement.

• Fitting & dimensions

40 mm

All rails are
13 mm high
(16 mm with fitting)

51 mm

68 mm

85 mm

Fitting to a ceiling

Fitting to a wall

23 mm

15 mm

26 mm
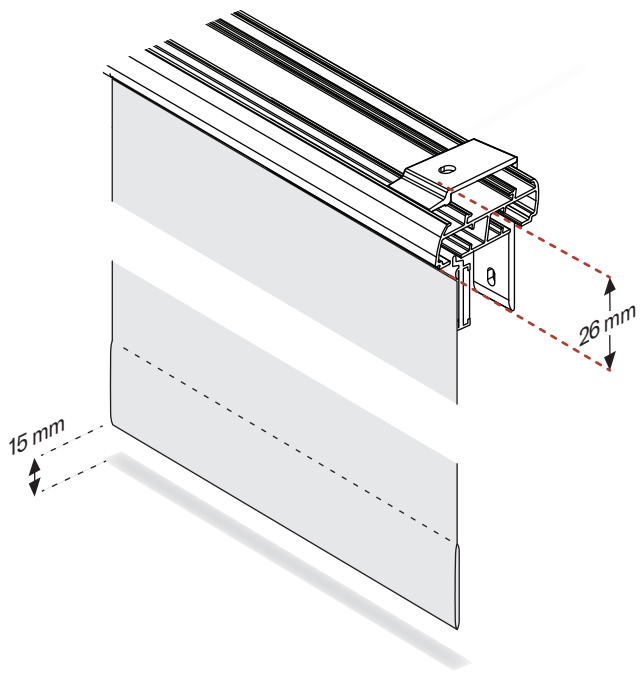

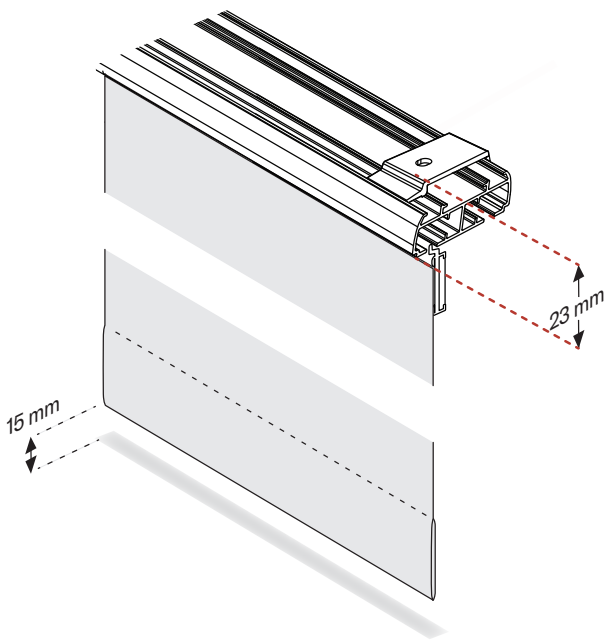

15 mm

These drawings show 2-track rails but the
measurements are identical for all rail types.
Also, please note that 15 mm floor clearance
is just a recommendation.
